TYPE: Discontinuation Notice

A7BS-219 Thumbwheel Switches to be DISCONTINUED
March 31, 2017

Omron will discontinue all **A7BS-219** Thumbwheel Switches due to a diminishing global demand. There are no direct replacements for these Thumbwheel Switches. The models to be discontinued include, but are not limited to all “-219” models listed below. All other A7BS models are not affected by this discontinuation notice.

Should you have any questions, please communicate with the Connector Product Specialist.
