Reason for change:

1. New release of part numbers to have a piece of tape added for PIP improvement. We will be adding a "T" at the end of the part descriptions to denote the top tape

Proposed change:

1. Currently there are 12 part numbers in QAD without the top tape. We will release 8 new part numbers which will have the tape added. The new part descriptions will have a "T" at the end to denote the top tape.
2. Here's list of part numbers affected and their replacement:
