Product Change Notification - CSI0500004 - JAON-08AHID607

Product Category: Analog (Thermal, Power Management & Safety) Notification subject: CCB 1737.10 Final Notice: Release to production of listed Micrel Regulator product type manufactured with the CSI05 process technology to Microchip Fab. Notification text: PCN Status: Final Notification Note: This final PCN only pertains to the products listed in this PCN. Additional final PCNs may issued for this combination of product type and process technology. Microchip Parts Affected: Please open the attachments found in the attachments field below labeled as PCN_#_Affected_ NOTE: For your convenience Microchip includes identical files in two formats (.pdf and .xls). Description of Change:	Date:	13 Nov 2016									
Notification subject: CCB 1737.10 Final Notice: Release to production of listed Micrel Regulator product type manufactured with the CSI05 process technology to Microchip Fab. Estimated First Ship Date																	As listed in the attached parts list				

Markings to Distinguish Revised from Unrevised Devices:

Traceability code and shipping label see FAQ.

Revision History:

September 1, 2015: Issued initial notification as PCN number CYER-31JLEX869. **September 25, 2016:** Issued intermediate notification as PCN number JAON-08AHID607. Attached the Qualification Report. Revised the estimated first ship date (EFSD) to inform that the EFSD will be revealed in the final PCN.

November 13, 2016: Issued final notification as PCN number JAON-08AHID607-CSI0500004 for listed Micrel's Regulator products manufactured with the CSI05 process technology. Provided estimated first ship date (EFSD) for each CPN listed in the attached parts list.

The change described in this PCN does not alter Micrel's or Microchip's current regulatory compliance regarding the material content of the applicable products.
