

TE Connectivity

Product Change Notification: E-21-006937

PCN Date: 03-AUG-21

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

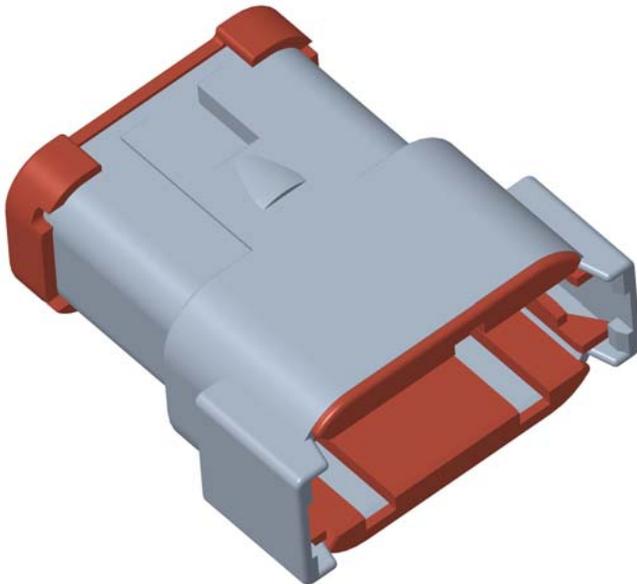

General Product Description:

DEUTSCH DTM 8 and 12 Position and DTV Plug and Receptacle D Key Temporary Color Change

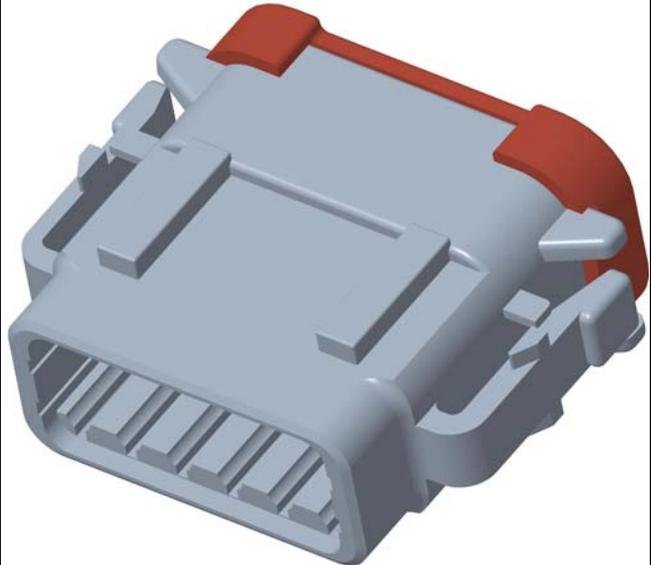

Description of Changes

The Industrial and Commercial Transportation business unit of TE Connectivity is making a temporary (six months maximum) change to the color of the part numbers listed below. Instead of brown, the parts will be gray. For connectors with an end cap and/or a seal retainer, the end cap and seal retainer color will designate the key, brown for D key. For part numbers without an end cap, the end cap version will be offered. For full packs only, a corresponding colored dot will be added to the label on the box and a corresponding colored sheet of paper with a note will be added inside the box. These PNs are TE proprietary designs, therefore considered catalog/general market product. Product drawing(s) are not affected.

Reason for Changes:

Dear Customer, we hereby inform you of this change. With global demand in excess of supply on PA66, the material supplier is restricting TEs buying allotment on certain colors. The allotted amount of material is at a level where production is impacted and to close the gap, gray material will be used to replace brown material. The change does not impact performance. IMPORTANT: The current and previous revisions of these parts can be used interchangeably in the field. The changes are being phased in gradually and previous revision can remain stocked until use. Shipments of both configurations may be mixed.

Estimated Dates:

Last Order Date (Obsolete Parts Only):	First Date To Ship (Changed Parts Only):
	15-AUG-2021
Last Ship Date (Obsolete Parts Only):	Last Date for Mixed Shipments: (Changed Parts Only):
	23-JAN-2023
