

Microsemi Corporation

August 3, 2015

Product Discontinuance Notification (PDN) No: 2415

Subject: Microsemi Devices Product Discontinuance

Description:

Microsemi is announcing the discontinuance of the products listed below.

Reason for Discontinuance:

These products are affected by process discontinuances from our wafer fabrication supply chain and/or have insufficient customer demand and future forecast to support ongoing production.

Customer Impact:

It is recommended that customers determine their remaining requirements for these products and place last-time-buys in accordance with the schedule below. All orders must be placed in increments of the minimum packing quantity specified for the product. Any orders with customer request dates (delivery) after February 3, 2016 **will be assessed a surcharge** (details below).

Replacement Parts:

Replacement parts are listed in the table below.

EOL Product	Replacement Product	Comments
VSC3008YSX-01	VSC3308YKU	Similar function. Not pin compatible.
VSC3104YVP-01	VSC3304YHV-01	Similar function. Not pin compatible.
VSC3108YSX-01	VSC3308YKU	Similar function. Not pin compatible.
VSC3108YVP-01	VSC3308YKU	Similar function. Not pin compatible.
VSC3144HR-02	None	
VSC3144XHR-02	None	
VSC3144XHR-12	None	
VSC3144XHR-32	None	
VSC3172JN-02	None

Last Order Date: August 3, 2016

Please note that all orders must be booked as non-cancelable non-returnable (NCNR) by the last order date specified above.

Important note: To maintain the same pricing, orders must be placed with sufficient lead time in order to ensure delivery on or before February 3, 2016.

Price increases will be applied to any deliveries requested for after that date, as described in the following schedule.

Customer Request Date (Delivery)	Price
On or before February 3, 2016	Current price
Between February 4, 2016 and August 3, 2016	25% higher than current price
Between August 4, 2016 and February 3, 2017	50% higher than current price

Although Microsemi will attempt to accommodate all requirements, it is highly recommended that orders be placed as far in advance of the order deadline as possible. Acceptance of last-time-buy orders is subject to product availability and at the discretion of Microsemi Corporation. Every effort will be made to fulfill these orders. The inventory is limited, so orders will be taken on a first-come, first-served basis.

Last Shipment Date: February 3, 2017

Please note that Microsemi will continue to ship last-time-buy orders as requested only through the last shipment date specified above. Product orders must be scheduled to ship no later than this date.

Products Affected by this Discontinuance:
