

March 2023

Change of production site:
RH series power relays and RY series miniature relays

IDEC would like to inform you that we will change the production site of our RH series 1 and 2 pole power relays and RY series miniature relays from China to Thailand. Details are as follows:

1. Subject models

The following RH series power relays and RY series miniature relays (incl. special products):

Series	Style	Change
RH1 RH2 RY2	Basic	Production site Display of the products Display of the product cases
	With indicator	
	With check button	
	With indicator and check button	
	Top bracket mounting	
	With diode	
	With indicator and diode	

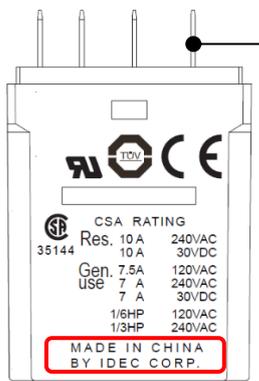

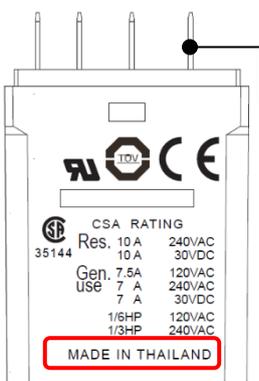

2. Details

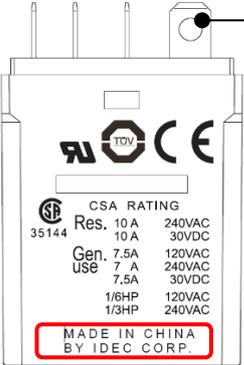

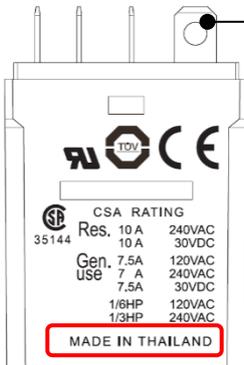

The production site will be changed from China to Thailand.

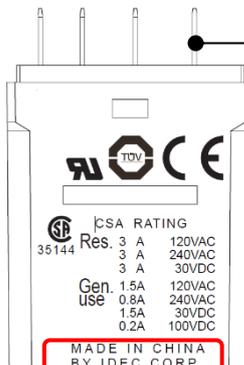

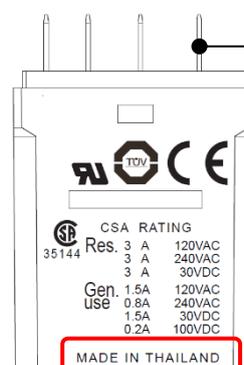

Accordingly, product origin indicated on the products and product cases of the RH and RY series will be changed as follows.

Display change of the products

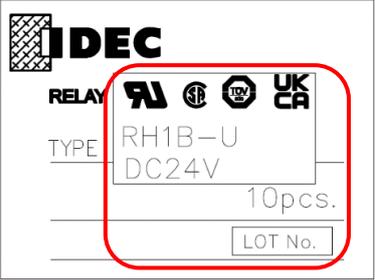

For example (Basic type):

Series	Current	New
RH1		
Series	Current	New

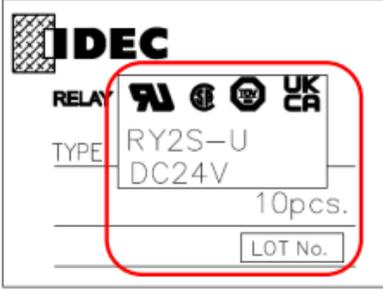

RH2	 <p>Coil terminal</p>	 <p>Coil terminal</p>
-----	--	---

Series	Current	New
RY2	 <p>Coil terminal</p>	 <p>Coil terminal</p>

Display change of the product cases

Series	Current	New
RH1	 <p>Stamp</p>	 <p>Nameplate</p>

Series	Current	New
RH1	 <p>Stamp</p>	 <p>Nameplate</p>

Series	Current	New
RY2	 <p style="text-align: center;">Stamp</p>	 <p style="text-align: center;">Nameplate</p>

Note: Specifications are the same for the products made in China and the products made in Thailand.

3. Schedule

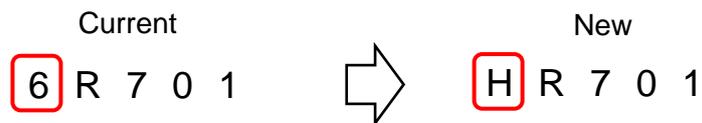

Starting progressively from August 2023 (or sooner depending on our stock situation)

4. Part number and prices

No change

5. Identification

Lot numbers for products made in Thailand on the product and product case start with "6" to "H".

This identification letter will be used with modified products made from July 2023.
