

PRODUCT ADVISORY NOTICE

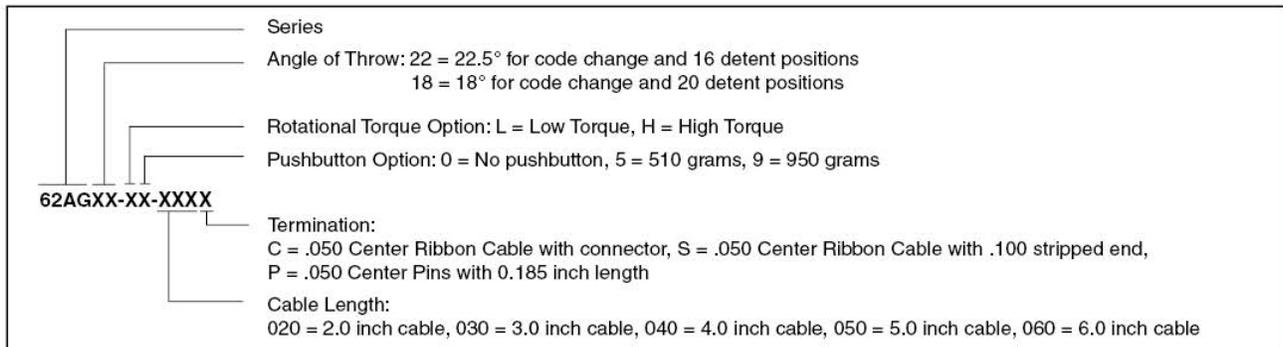

KEEPING YOU INFORMED OF PRODUCT CHANGES

To: All Customers, Sales Representatives and Distributors
Date: July 20, 2011
Subject: 62AG Series Optical Encoder

This Product Advisory Notice is to alert you that Grayhill will be changing the part number layout for our 62AG series encoders. The 62AG series has been further developed to include additional standard options for torque, push button force, detent positions and termination options.

Description of Change

The new part number layout is shown below:

Effective Date

The new part numbers are currently available. The existing part numbers will remain in effect until 08/31/2011.

Part Numbers Affected

Below is a Cross Reference of existing (Old) Part Numbers and the equivalent New Part Number:

Old Part Number	New Part Number
62AG22-01-040C	62AG22-L0-040C
62AG22-02-020C	62AG22-L5-020C
62AG22-02-040C	62AG22-L5-040C
62AG22-02-050C	62AG22-L5-050C
62AG22-02-060C	62AG22-L5-060C

Action Required

Purchase Orders placed after the Effective Date need to use the new part number. Please contact your Grayhill, Inc. sales associate for further information.

Please forward this notification to the appropriate person(s) in your organization.
