Change Description:

Atmel is announcing JCAP as additional qualified source of WLCSP Assembly and Test.

Samples can be ordered through Atmel Sample Center by logging on to

<https://www.atmel.com/samples> using the sample specific ordering codes provided.

Specific sample ordering codes for new JCAP Assembly and Test location are shown in the table above with a 'J' identifier, and are available for sample orders only until the proposed first shipment date. For all production orders, only existing standard ordering codes will be accepted.

Note that the J in sample ordering codes will not be marked on the package

Identification Method to Distinguish Change:

There is no change in part number. Changed product will be tracked via the lot number.

Proposed First Ship Date*: August 26, 2015

**The Proposed First Ship Date is the forecasted date that a customer may expect to receive changed product. This is determined by the estimated date of inventory depletion on the PCN issue date. This may be affected by fluctuations in supply and demand. Consequently, although customers should be prepared to receive changed product on this date, Atmel will continue to ship pre-changed product until a time in which inventory has been depleted. This may result in pre-changed product being shipped to customers after this forecasted date.*

Atmel Contact: Please contact your Atmel Sales Representative or Distributor for additional information (when replying via e-mail please include the PCN number in subject line).
