SUBJECT: PRODUCTION LOCATION CHANGE OF JST PRODUCTS

The production location of the GVHS series has changed from Japan to Malaysia. The prefix (D) has been added to the new internal part numbers indicating the parts are manufactured in Malaysia. Other than change of Country of origin, there are no changes to the physical parts.

The Manufacturer PNs and Order PNs should remain the same. The New internal part numbers are just for Country of Origin reference only. Internal part numbers may be referenced on product labels.
