PCN P10713

To whom it may concern,

**Subject: Tape & Reel Packaging**

Bel Fuse Inc. is issuing this correspondence on behalf of Stewart Connector. The attached page is the specification for the tape and reel packaging for some of our connectors. This notice is in regard to Stewart Connector sealing tape and reel products in a moisture bag with a desiccant material inside to eliminate the possibility of moisture entering the package. This refinement of the packaging specification has no effect on the form, fit or function of the product itself.

Please note the following P/NS as those effected by the new packaging specification:

SS-60300-072	SS65100-057F	SS70100-023F	SS70100-033F
