Business Unit	Product Line Code	Type of Change	Action	Date of issue
IF	CK6	Aesthetic	Notify Distributors and Field	7/7/2015

The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description of Change:

The fit, form, function of the C1D2 relays remain unchanged. The C1D2 relays are now global part numbers and being manufactured at the Phoenix Contact Bad Pyrmont facility, in Germany. The last digits of the part number descriptions have all been updated so that they have the same uniform ending, reading /C1D2. The printing on the socket/base was two-sided, it is now combined and printing appears only on one side. See images below.
