QUALITY

Addendum to DN_201605020DN to clarify products discontinued with packing option only

Information Notification

This Customer Information Note (CIN) contains clarifications on the information sent to customers in DN_201605020DN Mid-Year Product Discontinuation Notificationon distributed on May 26, 2016.

For a few of the parts included in the Discontiuation notice only one packing method was being deactived. The Product Family remains active with several packing methods still available and in full production.

Please refer to the Part Type Affected list for clarification in the notes section.

We regret the inconvenience and impact this notice may cause. NXP Semiconductors' sales, marketing and distribution personnel stand ready to assist you in placing our customers and partners's final orders, or in providing product information you require. On behalf of NXP Semiconductors, appreciate your understanding and assistance in helping us to help you
minimize the impact of this product discontinuation on your company. We look forward to NXP Semiconductors' continued support of your company's semiconductor requirements in the years to come.
Why do we issue this Information Notification
To clarify few of the parts included in the Discontiuation Notice were only one packing option not the complete product family. The other packing option is available for production.
Identification of Affected Products
Product identification does not change

Impact
