

Break-away 0.1" 36-pin strip male header – Rainbow Combo 10 Pack

PRODUCT ID: 4154

In this world nothing can be said to be certain, except we need headers, headers, and *more headers!*

Each pack contains ten candy-colored 36-pin 0.1" pitch break-away male headers. These are a little extra special in that the plastic holding the pins together is made of colored plastic instead of classic black.

You get 2 of each color: red, yellow, white, green and blue

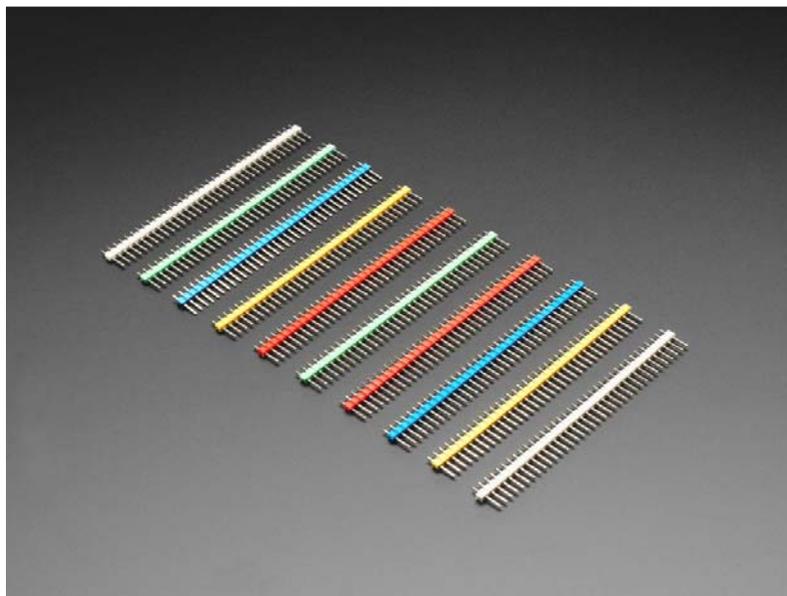

Breakaway headers are like the duct tape of electronics. They're great for connecting things together, soldering to perf-boards, sockets for wires or break-away header, etc. We go through these guys real fast, and thought that given how handy they are, we'd offer them in a pack of ten!

You can cut these down to different sizes fairly easily, simply break apart, or use diagonal cutters to cut in between pins.

We have a ton of different types, sizes, and shape headers in the store – check'em out!

TECHNICAL DETAILS

- Height: 11.5mm / 0.4"
- Weight (single header): 2g
